Charlotte County to Process Property Transactions Online with Realauction

Fort Lauderdale, FL – The Charlotte County Justice Center is known for utilizing the latest technology to serve its citizens. Clerk of the Circuit Court Barbara T. Scott is a champion of that trend, and has selected RealForeclose to process tax deed applications and foreclosure sales online.

“Our primary purpose in implementing RealForeclose is to maintain our high standards for efficient service,” said Scott. “The time and cost savings for our office will help us serve our citizens better. Additionally, online tax deed applications will become more convenient for bidders, and online foreclosure sales will encourage higher bids.”

Recent changes to Florida Statutes have enabled Clerks of the Court to hold foreclosure sales online. Counties throughout Florida are no longer limited to just those bidders who can physically be present at the sale.

Realauction will conduct training and orientation sessions for bidders with complete instructions regarding use of the online system. Realauction also provides a toll free number to their customer service team to answer any questions that arise.

“We admire Barbara Scott for being a leader in the use of RealForeclose,” said Realauction CEO Lloyd McClendon. “Charlotte County will see the benefits of conserving resources and saving taxpayers money with the new process.”

About Realauction

Realauction is a leading provider of technology solutions for government agencies. Realauction helps governments reduce costs by providing consultation, design and implementation for online auctions of tax lien sales, tax deed applications and foreclosure sales. With over 50 years of combined experience in the delinquent tax and real estate data transfer industry, Realauction is committed to providing the software and customer service to help governments succeed.
